New Head Coach Announcement for Fall 2018- Crawfish Aquatics Nicholls location

We are proud to announce **OJ Mesina as the new Head Senior Coach and Site Director of Crawfish Aquatics at Nicholls State University.** He will arrive in August following the retirement of Head Coach Steve Panzram. Steve and Coach Addy will be relocating to Pensacola.

Coach OJ joins us from the Northern Kentucky Clippers, where as a Gold Medal Club Coach, he helped develop, re-organize and build a very successful program in the suburbs just south of Cincinnati, Ohio.

"I am incredibly excited and honored to be working with Crawfish Aquatics as the Site Director for the Nicholls location," OJ says. "Crawfish Aquatics is an amazing organization that looks to inspire and help young women and men become not only great student athletes, but more importantly, outstanding people with integrity, honor, motivation, and respect. I look forward to bringing my experience, energy, and love of swimming to the Nicholls site and all of Crawfish Aquatics. I can't wait to become a part of this family and help the organization and athletes grow while still respecting the many rich traditions that have made Crawfish Aquatics into the program it is today."

We are also happy to announce that **Coach Brent Labat will be our new Head Age Group Coach /Director of Program Administration** while continuing to direct the Swimming Lessons programs at the Nicholls location.
