Towel Drive- about 50 more to go to provide for 240 students!

Wow! We reached the 120 towels goal for our first session of Outreach lessons and are excited to announce we are going on ALL IN for the second (final) session of the summer, July 9-19! We have another 120 students coming in through our Outreach program and we want to provide towels to them as well.

Who's with us? We would love to hand them out earlier in the session for this second group so if you can, please donate a towel by dropping it off to the Info Booth OR using the convenient Target online registry that has been updated to reflect the needs for Session 2.

Thank you for your support and helping to Wrap them in Love!
