Announcements & Reminders

Meet Results

Thanks to all those who were able to brave the cold this weekend and come out to the meet. We had a tremendous showing and great generosity with over five bags filled with Toys! The last meet was especially exciting with non-traditional races. The kids had a blast. If you were not here, you will not be invoiced for the meet, but we still encourage you to bring in a toy to any of your sites and they will be turned into the Toys For Tots organization.

Team Unify—Text Alerts

A big thank you goes out to our Crawfish families who remained alert to updates Saturday morning regarding closed roadways and meet updates. For those who are not privy to consistently checking email, Team Unify has a text alert option as well! After logging into your account and accessing your personal information, navigate to the field titled "SMS." There, enter your mobile number, select your wireless provider, and save. Once complete, you should receive all text alerts sent through the system. If you encounter issues with setting this up, ask Coach Brent for a crash course during your next visit to the pool!

Christmas Light Donations!

We want to light up the outdoor pool area with Christmas lights to bring some fun & brightness to these darker nights! If you have a strand (or 2) that you can donate, please drop off to your coaches this week during your scheduled practice time!
