Entries: 8 & Under, Age Group

FUNDRAISING OBLIGATION—MAY 1 INVOICE:

As outlined in previous Enews, all families that have been members beyond 6 month have an annual fundraising obligation, with the first half invoiced in April and second half invoiced in November. **Please note that you may see the fundraising invoice on your account before your account is credited for funds raised. Both items will be completed and posted by April 25. Please log in to your TU account directly to review your upcoming invoice.*

How much is due for the year and how much is billed on May 1? All families have an obligation of \$200. Fundraising balances for the first half of 2018 will be posted on the May 1 invoice through your TU account. Funds raised through Swim-A-Thon are due April 16 and the applicable amounts will be credited to your May 1 invoice toward this first half of the year billing.

What if we raise more than the \$100 our family owes for the first half of 2018? For families raising above their First Half of year fundraising obligation, the remaining credit "surplus" will be applied to your account for the Second Half of year obligation billing in November. There is no carry over from year to year and the maximum amount to be credited to your account is \$200 for your annual obligation amount.

Example of how funds are applied to the account:

Example: Your family owes \$200 annually and you raised \$150 in the SAT; \$100 of your SAT funds will be credited to your account NOW and in November the remaining \$50 would be credited to your account for the Second Half of year billing. The remaining \$50 owed for fundraising would be debited with your Dec 1 invoice with no fundraising balance payment due in May.
