GPAC Gravy Bowl Meet

For all of the high school age athletes that are home schooled or that do not have a team at their high school, they went down to Pensacola for the Gravy Bowl meet to be able to compete at the same times as their high school teammates. We also had some high school D3 and D4 athletes go compete in non high school events. The athletes performed great with mainly best times.

We also had 2 new team records: Rylee Moore in the 200 back 13-14 2:04.60 and Jolee Liles in the 400 IM 4:24.99. Results will be published once made available by the meet host.

Christmas light challenge- make the dark winter month brighter!

We are going to light up the outdoor pool area fences while competing with the groups at Baton Rouge and Nicholls. To make the dark winter month brighter we are asking you bring in old or new Christmas lights which will hang and adorn the fence and structures outside to make the pool deck and surrounding areas more fun! The other sites will do the same, so let's bring in as many as possible to have a brighter and more festive pool.

- We will begin decorating the week after Thanksgiving.
 - You can start bringing in your lights on Monday November 21.
-

Second Half of 2016 Fundraising Obligation- upcoming invoice December 1

Remaining balances for fundraising will be collected with the December 1 dues debits. Invoices for the upcoming month are viewable at any time on your TU account.
