

Dear Crawfish Families,

Addy and I wanted to thank everyone in the Crawfish Family for allowing us to be a part of such a great organization of people. When we first arrived in Thibodaux we knew this would be our last stop and it was our best stop!

We will miss the families and athletes we have had the pleasure to coach, teach, and train over the last five years.

More importantly we will miss the many relationships we have formed and the memories we will take with us are very positive!

We will personally miss the relationships created with the best coaching staff we have ever been a part of! Our staff here at Nicholls, led by Brent Labat, has been an absolute pleasure to be a part of. We will miss the coaching camaraderie!

A special thank you to Coach Jayme for his leadership and friendship. He is an incredibly hard worker and dedicated to the mission of Crawfish Aquatics fully.

We are especially thankful for being able to work under the leadership of Dr. Steve Ripple. Dr. Ripple has supported us through thick and thin! We have never had a “boss” as caring and inspirational as he and we are blessed to have had him as our leader and mentor.

Since our arrival we have gained four grandchildren and we look forward to spending time with them in the coming years in Pensacola, Florida.

The future is bright for Crawfish Aquatics and we both look forward to watching it continue to grow and prosper. We will certainly keep up through Meet Mobile!

If you ever attend another swim meet in Pensacola we will be there to support your swims and to say hi!

Again, we thank you for making this experience a great one and wish all of you much success going forward!

Much Love to you all! Dig Deep!

Addy and Steve Panzram
