

## ***State Meet Wrap Up***

Each season at state meet, there is something that grabs my attention. This summer I was heartened by the interaction of our swimmers. The conversing, commiserating, and encouraging that was a large part of every session had very positive effects on performance. The nightly dress up themes and the many swimmers that participated were a very visceral display of camaraderie. The lack of cell phones in hands was a positive that allowed for the personal communication. In other words, we really looked and acted like a team. My congratulations to all!

Go Crawfish!

Coach Billy
